

## Bourse d'Excellence BEBUC à l'Université de Kinshasa (UNIKIN)

Are you in the 2<sup>nd</sup> or 3<sup>rd</sup> year of study and one of the top students of your class at UNIKIN?

Do you envision becoming an excellent researcher and/or a university teacher?

Do you want to be freed from delay by useless, time-consuming jobs, and benefit from interdisciplinary seminars with excellent students from other disciplines?

Do you want to dedicate your entire time, power, and enthusiasm to your study and career?

To make your dream become reality, please contact the BEBUC Committee (Bourse d'Excellence Bringmann aux Universités Congolaises). If you are selected, BEBUC will award you a scholarship and support you to make your dreams become reality. After a first *Pilot Phase I* (only students of chemistry and pharmacy), the scholarship system was extended to students of medicine, law, and letters (*Pilot Phase II*) and, in *Pilot Phase IIb*, to students of physics, biology, economy, and computer sciences, and was then, in *Phase III*, opened to all subjects and disciplines of the UNIKIN (since 2010).

We herewith announce BEBUC *Phase IV*,  
the second comprehensive phase of the scholarship system at the the **UNIKIN**.

Please come and attend our information meeting, which will be organized on Saturday, **January 15, 2011 at 13 h 30**. **Venue: Auditoire B1**, Faculty of Sciences.
